Twenty10 DESIGN

We are importers and wholesalers of beautifully designed furniture. Great care and attention has been taken on our products to achieve the designs and finish of each and every item.

We are a trade only supplier and our products are perfect for all types of businesses, from contract furnishers, designers, hoteliers and retailers.

We are very flexible in our approach and will do our best to achieve any targets or find solutions for our customers. Our unique selling point is superior design and finish at great prices.

Customer service is a priority and our goal is to achieve complete customer satisfaction no matter how large or small an order.

We also offer bespoke designs for container quantity or project based orders.

LILLY COLLECTION

The Lilly has a sophisticated veneer finish in a soft grey tone with a very subtle Chevron design on the drawer fronts and doors. Finished with elegant bronze slim designed frames and simple handle design, it's a must have for any design.

BALI COLLECTION

The Bali collection lives up to its name with its beautiful, warm Ebony veneer finish. Its rich contrasting colours compliment one another beautifully with both strong, bold colours and soft natural tones. With its unique double frame design, finished off with luxury brass caps, it is a collection that will stand out as one to remember.

BEDSIDES & CHESTS

The Orchid range comes in a wenge finish and has distinctive cut out handles whilst the Calla has a lovely white or walnut finish and has shaped stainless steel handles.

The drawers on the chests and bed-sides have soft, metal close runners.

DRESSING TABLES, STOOLS & WARDROBES

The Calla stool has a sectional upholstered seat whilst the Orchid has buttoned detail.

The dressing table is very elegant and can double as a desk. It has two drawers with metal ball bearing runners. The wardrobes are double hanging and come with matching handles to compliment the items in the collection.

DINING TABLES

Our collection of dining tables consists of the Peony, which is available in three sizes and has a tapered leg that is simple and stylish in design. The Iris table has a cross structural design but is softened by the warmth and feel of the wood. Lotus with its column base and circular top is a statement on its own. All of the tables are available in wenge and walnut finishes.

CHAIRS

The Lotus dining chair has a beautiful curved outside wooden back with an upholstered seat and back. It's available in both wood finishes and various Crib 5 fabric options and compliments any of our dining table collection.

The Iris chair is in a stone faux leather with matching metal legs so will work perfectly with either of the table finishes. The chair moulds to a curve shape and is very comfortable.

Chairs are sold in pairs.

SIDEBOARDS, CONSOLES AND TV UNITS

Our New Quart collection comes in three stunning high gloss finishes and the gold circular feature handles just complete the luxury design, making them real statement pieces to brighten up any room.

Our Peony collection also consists of a matching stunning TV Unit with two drawers, soft close runners and cut out handles.

The Sideboard is an elegant storage piece which sits on a wooden plinth frame and is perfect for any dining room, lounge or even hallway.

The console table has the inset detail on the top with tapered legs and are all available in walnut or wenge.
